Based on the qualifications for KAICC voting membership do you meet all the requirements?
___ Yes ___ Not Sure (request further clarification of requirements)

A Voting Member shall be one who meets the requirements of training and experience and who provides agricultural crop consulting services to the public on a fee basis.

An independent agricultural crop consultant being one who, as an individual, **derives his livelihood from offering independent, objective, professional advice in matters relating to crop production, and who acts as a private contractor. The person must not have a conflict of interest involving agricultural consulting, the sales of products and other related services.**

A voting member shall possess a **four year college degree in an appropriate agricultural field and have had a minimum of four years of reputable experience in an appropriate field of agricultural consulting, one year of which may be substituted for a Master's degree and two years by a PhD degree.** The membership committee may, at its discretion, **permit the substitution of six years of non-consulting experience in an appropriate field for two as a consultant, except that a minimum of two years as an independent consultant is required.** The membership committee may, at its discretion, admit to membership, those who have **10 or more years of experience as agricultural consultants, provided they meet other criteria for member classification.**

In addition, an applicant for membership must provide **references from individuals for whom he has personally provided consultation services and be recommended by two members in good standing.** Investigation of these references should show that these services were provided in a highly competent and professional manner. Approval will be by a quorum vote at a scheduled meeting, or by mailed ballot.

*****Submit your request for voting membership to your Regional Coordinator or current Executive Body*****
